

Transportation Resources for Veterans

- Need to get to a doctor's appointment?
- Not sure how to get to work?
- Want to visit a friend across town?

Resources may be available to help you.

Across Massachusetts, a range of transportation services are available to veterans who qualify.

To learn more, visit mass.gov/hst and click “For Veterans” in the Key Resources section.

What kind of resources will you find on this website?

- Contact information for the Veterans' Service Officer in your town
- Information about public transit in your area, including curb-to-curb service for those who qualify – some transit agencies also offer special medical transportation
- Shuttle service between VA hospital sites
- Funding to help you adapt your car so that you can still drive
- Programs offering reimbursement for travel expenses
- Vans that transport seniors
- Ride boards where you can sign up to carpool
- ...and more
